Papierové rozety: návod a dve predlohy

Pôvodná predloha drevenefotografie.sk · tlač 100 % / skutočná veľkosť

Vyberte veľký alebo malý pár pásov. Zmerajte100 mmčiaru a celý pás.

Poskladajte po 10 mm do harmoniky. Lepiacu chlopňu prekryte na prvé pole nasledujúceho pásu. Dva spoje vytvoria prstenec.

Hornú hranu prstenca jemne smerujte do stredu. Krycie kruhy priložte zozadu a spredu; vhodné lepidlo nechajte ustáliť.

Presné sú pásy 210 × 60 a 210 × 40 mm. Hotové priemery okolo 120/80 mm sú približné. Zmerajte svoj kus.

Plná čiara=strih; prerušovaná=ohyb. Dospelý preberá ostré rezačky, elektrické nástroje a laser. Projekt ich nepotrebuje.

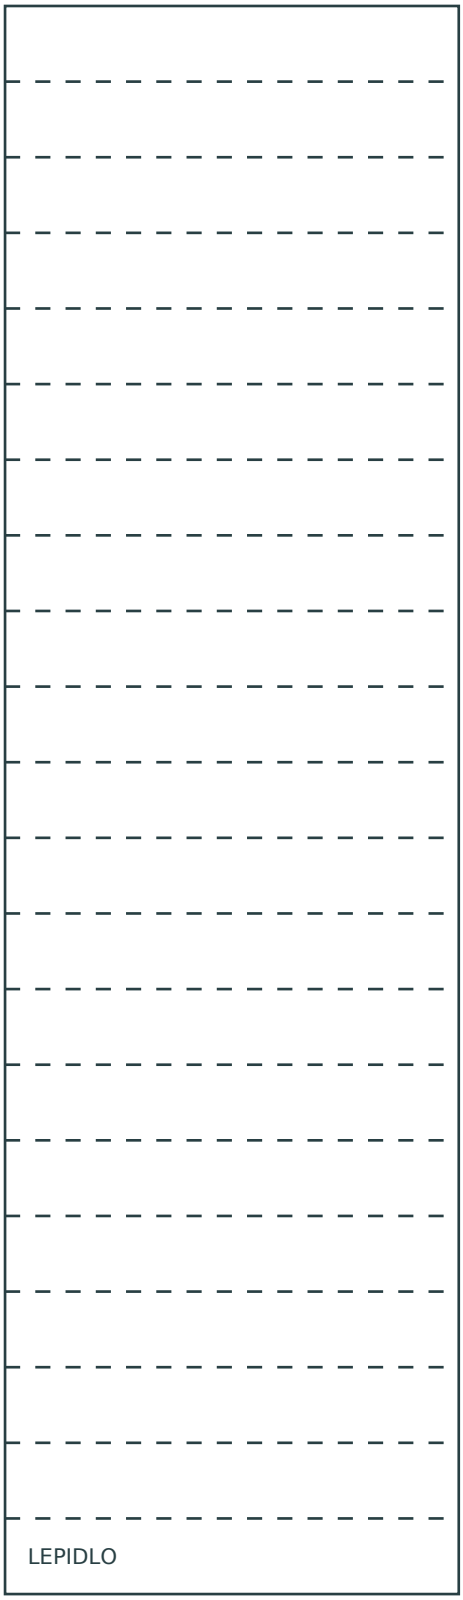

Tlačte iba pracovné strany 2–4 podľa potreby; strana 5 je záznam.

Kontrola: 100 mm

AMSFonts (v. 2.2) copyright

The PostScript Type 1 implementation of the AMSFonts produced by and previously distributed by Blue Sky Research and Y&Y, Inc. are now freely available for general use. This has been accomplished through the cooperation
of a consortium of scientific publishers with Blue Sky Research and Y&Y.
Members of this consortium include:

Elsevier Science IBM Corporation Society for Industrial and Applied Mathematics (SIAM) Springer-Verlag American Mathematical Society (AMS)

In order to assure the authenticity of these fonts, copyright will be held by
the American Mathematical Society. This is not meant to restrict in any way the legitimate use of the fonts, such as (but not limited to) electronic distribution of documents containing these fonts, inclusion of these fonts into other public domain or commercial font collections or computer applications, use of the outline data to create derivative fonts and/or faces, etc. However, the AMS does require that the AMS copyright notice be removed from any derivative versions of the fonts which have been altered in any way. In addition, to ensure the fidelity of TeX documents using Computer Modern fonts, Professor Donald Knuth, creator of the Computer Modern faces, has requested that any alterations which yield different font metrics be given a different name.
